**Refreshments** St Augustine's Church Hall will be open every Sunday after the 11.00am Mass for teas and coffees. Please come and join us.

**St Augustine's Faith in Families Boxes** Please could you bring in your boxes for emptying. Please give them to Diane Flynn or take them into the sacristy.

**Stations of the Cross at St Augustine's** Each Friday during Lent the Stations of the Cross will take place at 7pm. In recent years less people have attended this Devotion. The subject matter is not easy, however a following of the Way of The Cross during Lent can help us experience in a deeper way, the joy of Easter, the hope that lies at the heart of human experience.

**Working Together as Parishes** Our first 'working together' meeting had representatives from Our Lady and St Edward, Sacred Heart and St Augustine's parishes. We had a good discussion regarding the challenges and opportunities of working together more closely-integrating activities, both liturgically and pastorally. We introduced the ideas of displaying newsletters from each Parish in our churches and a new prayer to support 'working together' to be said across the three churches. We thought of new opportunities, like social activities and sharing resources. The next step is for the PPC's to discuss further opportunities and then representatives from the PPC's will come together for further dialogue and discussion in this development. Please remember to keep this initiative in you daily prayers.

**St Augustine's Red Missio Boxes** If you have a Missio Box, could you please bring it in for emptying to either Deacon Anthony Sullivan at St Augustine's or hand to Bernadette Gabb on or before week ending 5th / 6th April. If you do not have a box and would like one, there are spare boxes available at the back of the church or please ask for one. Thank you for your support.

**Today:** Today's gospel has some simple clear messages, that are easily understood. Jesus speaks about how it is so much easier for us to see the faults of others, and he gives us a simple test to show whether a person is good or not. "From what delusions it would free us, if we could see ourselves as others see us!" Point your finger at something right now, and then look at your hand. What you see is that, while there is one finger pointing at something, there are three fingers pointing back at yourself! I remember a friend of mine telling about a confrere who spent one full hour with a camera to get a close-up shot of a bee in flight. My friend considered this a serious waste of time. What he failed to realise, of course, was that while the photographer was busy trying to get a good photo, my friend was standing watching him, doing nothing! At least one of them was doing something.

It is so easy for us to see the faults of others. For years I was wondering what was wrong with other people! Then, one day, I made a simple discovery. I discovered that what was wrong with them was that they were different from me! They all seemed to do things I wouldn't do! Upon further reflection, I discovered that the reason they were different from me is that God, in his infinite wisdom, had made them different from me. For his own good reasons, he decided that one of me was enough, and so he broke up the mould and threw it away!

Before I offer to remove the speck from my brother's eye, I should have a long hard look at myself in the mirror. Quite often, what I condemn in others can be part of my own behaviour. A parent lecturing a son or daughter about drugs, may be a constant user of alcohol, nicotine, etc. I remember seeing a young lad, who had hit his little sister, being lifted high off the ground with a smack by a very hefty mother, with the warning, "I'll teach you not to hit anybody smaller than yourself!"

It's so easy to sit back and wait for others to change – my prayer today could be: "Lord, let there be truth, justice, and fair play in this world and let it begin with me." (MB)

**Rite of Election ~ 10th March 2019** Our RCIA Enquirers will celebrate the Rite of Election with Bishop Patrick and Enquirers from all over the Diocese. This is an annual celebration where we invite the Enquirers to become ELECT and write their names in the Book in the presence of Bishop Patrick. We ask that you pray especially for our Enquirers as they discern their Journey in Faith.

**CAFOD Lent Gathering** on Sunday 10<sup>th</sup> March at the CAFOD Volunteer Centre in Bulwell, Nottingham from 5.30pm – 7pm. Come and hear about our new Lent resources, our work in Bangladesh and meet other volunteers and supporters. All welcome.

**Planned Giving and Gift Aid** The Finance Committees on behalf of both parishes would like to thank all those who give so generously in their weekly offerings.

**Gift Aid** If you pay tax and do not give your weekly offerings via envelopes or bankers order, would you consider signing up for Gift Aid? If you do, the parishes can claim back the tax you have paid on your contribution. *It is quite simple - you either use the envelope system, or set up a standing order, and fill out a simple gift aid form.* If you are interested, please speak to one of the Clergy or give your details to the Cathedral Office who will send out the forms to be completed.

This would be over the next couple of months - all paint, brushes etc would be provided and Fr Malachy has promised to provide some food and drink for those taking part. ### Prayer for the Sick

Father, your Son accepted our sufferings  
to teach us the virtue of patience in human illness.  
Hear the prayers we offer for our sick brethren.  
May all who suffer pain, illness or disease  
realize that they have been chosen to be saints  
and know that they are joined to Christ  
in his suffering for the salvation of the world.  
We ask this through Christ our Lord.  
Amen.

**Proposed Changes to Parking Charges around the Cathedral** We have received notification from the City Council that they are proposing to make amendments to Traffic Orders to improve the increasing demands of on-street parking around the Cathedral ~ Zones 1; 2 and 3 as at certain times demand for on-street parking is exceeding supply and so it is important to ensure that short/medium stays are catered for.

The proposed tariffs are as follows: Daily 8am to 10pm ~ Monday to Sunday

- Zone 1:** £1 for first 30 minutes, £2 for one hour, Then £2.00 per hour thereafter. Fixed tariff £2 between 8pm and 10pm.
- Zone 2:** £1 for first hour, then £1 per hour thereafter.
- Zone 3:** £1 for first two hours, then 50p per hour thereafter.

They are also reducing the number of parking meters available meaning that users will need to use the Ringo App on their mobile phones. This will discriminate against more elderly or technologically minded parishioners who may not be able to use the app or comfortable about paying over the telephone. We are intending to lodge an objection to the council and we are also asking all our parishioners to write with their concerns. If you wish to make any comments on these proposals please send an email to [vanda.simmons@nottinghamcity.gov.uk](mailto:vanda.simmons@nottinghamcity.gov.uk).
