

Friends of St. Barnabas.

The Cathedral Church of the Diocese of Nottingham

*Recently celebrated its 175th anniversary of Consecration & has served
the peoples of the Diocese (our local Church) during that time.*

The Provost & Chapter

(with the blessing and support of Bishop Patrick & currently a number of patrons)

Wish to establish a Friends of St. Barnabas Cathedral,

*With the objective of supporting the fabric of the Cathedral Building;
its liturgical & Civic life; and its cultural expression in the heart of the
ancient City of Nottingham.*

Can you help? Do you have a little time; creative vision; communication skills and can work with a dynamic team? Then perhaps you could become a member of the Council of Management of the Friends? If "yes", please contact :-
