Welcome.

This brochure is an invitation for you to share in an exciting new project in our Diocesan family.

Our Cathedral Church of St. Barnabas celebrated its 175 anniversary of Consecration recently.

All are agreed it is a magnificent gem in the heart of the City of Nottingham that draws people from many walks of life at different times to experience it.

Many come united in prayer and Sacrament with the Bishop and the Church; others use it as an opportunity for peaceful recollection, whilst others still come to enjoy a unique experience of Pugin Architecture - probably one of his finest examples of the Pugin age.

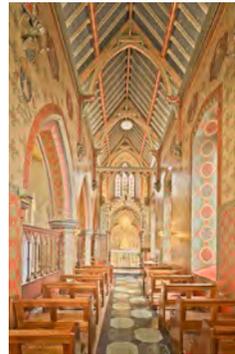

The Cathedral Church sets the tone of worship for the Diocese of Nottingham and its choir has become renowned for its scholarship, repertoire and the richness of its musical and choral expertise.

It has toured to Westminster Cathedral (2018), St. Mark's, Venice (2017) and Sagrada Familia, Barcelona in 2016.

Establishing a Friends of St. Barnabas:

The idea emerged from the Cathedral Chapter and is currently being driven to establish a Group of Friends to support the Cathedral Church, by prayer, encouragement of social and cultural opportunities, and financial support for the demands made to ensure it the Cathedral receives the promotion in these areas that it so richly deserves.

The Provost and Chapter meet regularly for prayer in the Blessed Sacrament Chapel ~ illustrated ~ for the Chapter Mass and their meeting in support of the Bishop and his Cathedral Church.

You can help by:-

- Your prayer for its good estate and of its clergy, Sisters, and all associated with its day to day experience.
- Your encouragement by sharing an annual subscription as a friend.

In return, The Friends of St. Barnabas hope to:-

- ◆ Keep you informed of opportunities to enjoy the Cathedral and its environs by a regular newsletter of forthcoming events.
- ◆ Offer reduced admission on all events for which a charge may be made (Cultural activities / flower festivals etc..)
- ◆ Ensure Annual Holy Mass is offered for all members as well as other privileges of membership.
